## The Mission, Vision & Values of the Saskatchewan Baptist Association

*“Together, we are his house, built on the foundation of the apostles and the prophets.*

*And the cornerstone is Christ Jesus himself.”*

Ephesians 2:20 (NLT)

### **Context:**

The Saskatchewan Baptist Association is comprised of 13 churches throughout Saskatchewan and is a member of the North American Baptist conference of churches. We are a family of over 400 churches in Canada and the United States. Each of our local churches is a part of one of 13 North American Baptist regions or associations, allowing us to network, maximize resources, and partner on important kingdom initiatives.

### **Mission:**

To make disciples of Jesus Christ who multiply healthy North American Baptist congregations that serve our communities.
