

WHO WE ARE....

The Saskatchewan Baptist Association is comprised of thirteen churches that are affiliated with the North American Baptist Conference of churches that are in Canada and the United States. Our thirteen churches meet twice a year for mutual support and fellowship. One of the key areas of ministry that we do together is our camping ministry.

We own and operate Good Spirit Bible Camp. Another area of support and encouragement is our Pastor Cluster Groups. There are three of these clusters which are located geographically for the benefit of each of the areas in which these pastors minister. Together we are striving to be all that God is calling us to be in our communities. Our desire is to share the Gospel whenever, however and in so doing demonstrate the love of Christ and the Missionary heart of God

IMPACT THE NEXT COMMUNITY

Churches are encouraged and resourced to look beyond their present location. How can NAB churches impact people with the Gospel of Jesus Christ? Is there a tangible need to be met, a ministry to start, a church to be planted?

REACH THE NEXT NATION

The next nation might be in your present community or it could be in a community across the oceans. Churches are encouraged and equipped to develop relationships with the nations both at home and overseas.

EQUIP THE NEXT GENERATION

This generation may be in their teens or in their 60's. We intentionally equip and develop leaders of every generation to impact their community with the Gospel of Jesus Christ.
