## What is Happening at Good Spirit Bible Camp?

An interview with Luke Prybylski by Cathy Winkler

**CW:** What is your role at the camp?

LP: Executive Director

**CW:** How has this past summer been?

LP: It has been great; 31 new Christians and over 400 campers was awesome! The staff were great and helped ensure that these campers will keep coming back. No major injuries to any campers and the speakers really spoke God's Word into their lives. All in all, just a great blessed summer.

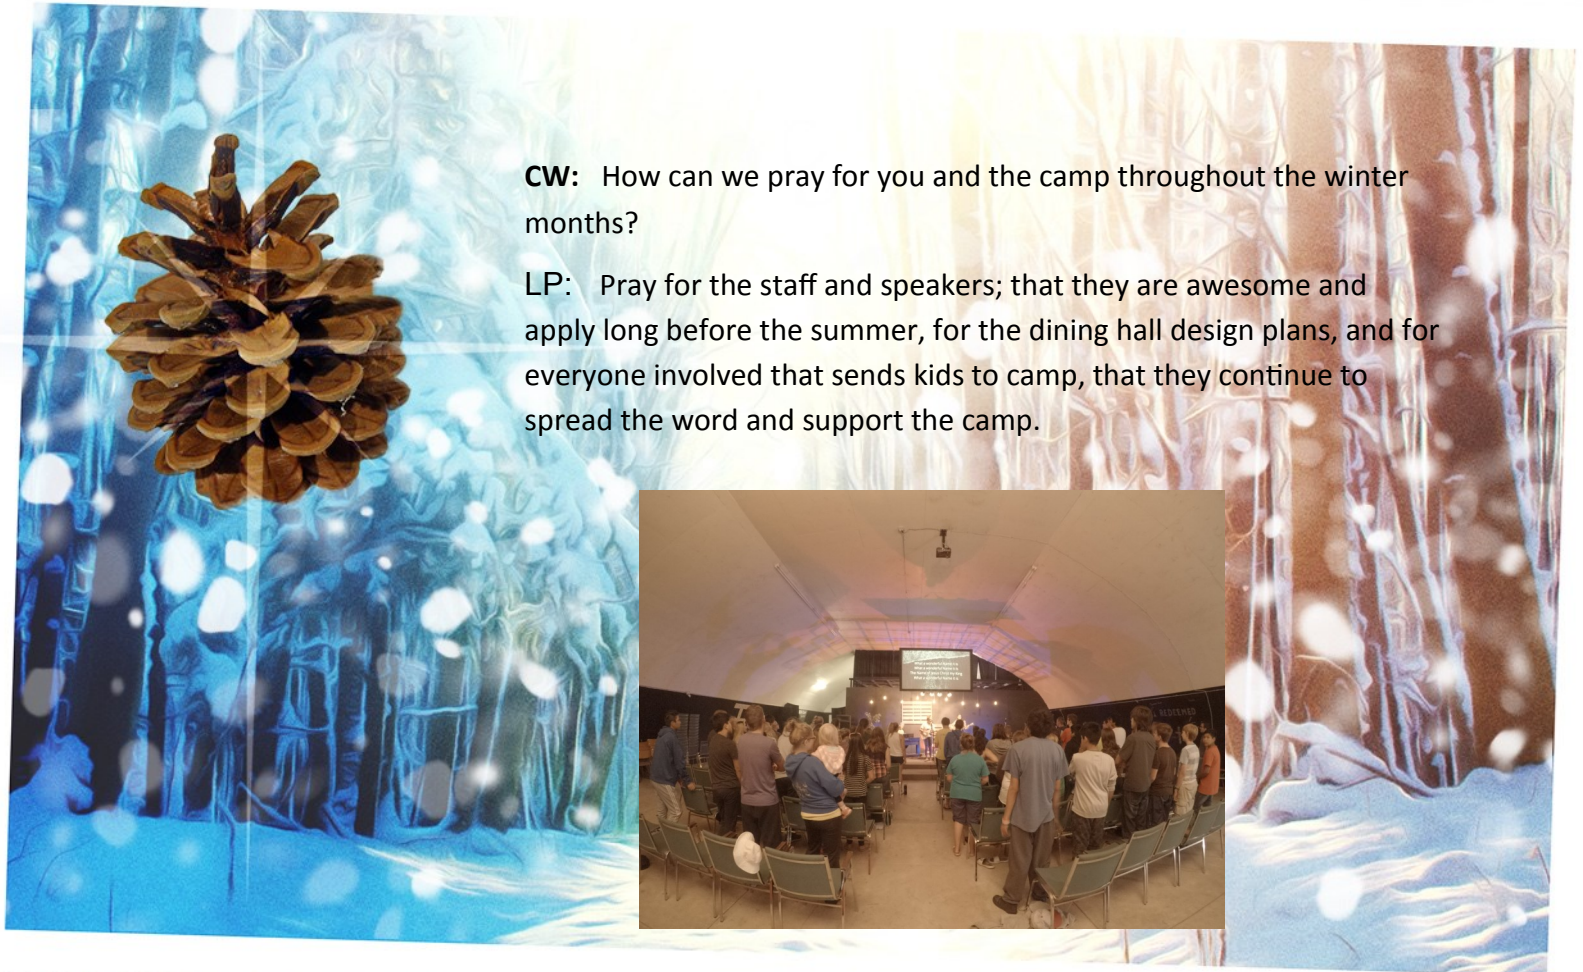

**CW:** How many campers were out this year?

LP: 415

**CW:** How many made first-time commitments to follow Jesus?

LP: 17

**CW:** How can we pray for you and the camp throughout the winter months?

**LP:** Pray for the staff and speakers; that they are awesome and apply long before the summer, for the dining hall design plans, and for everyone involved that sends kids to camp, that they continue to spread the word and support the camp.

**CW:** What are some of the biggest challenges you face?

**LP:** Finding the people to help out with projects, volunteers, and staffing

**CW:** What are some of your current needs?

**LP:** A new dining hall is being drawn up, so lots of prayer and hard work in this process, along with a ton of funding!

**CW:** Are there some things you need for the camp facility that people can help out with?

**LP:** In new or like new condition sports equipment like tennis rackets, baseball gloves, baseball bats, soccer balls, basketballs, dodgeballs, kick balls, footballs, any kid of summer sport equipment.
