Special Notes

Calvary is a community of believers who demonstrate their love for both those in their congregation and in their city. We believe that we are called to join God on His mission, by sharing God's love and good news, both practically and verbally, to all people. While Covid has affected the ability to continue some of our previous ministries, we continue to have two vibrant children's programs, including a growing junior youth group. We also run a weekly College & Career group. Our pastor must be willing to come alongside and support these existing programs. Along with the rest of the world right now, our congregational needs are in flux. We are seeking a pastor who is willing to listen to the Spirit of God and discern where the Lord might be leading in terms of ministry, challenges, and opportunity in the days that lie ahead. Only those being considered for the pastoral position will be contacted.

If you are feeling called to apply to become the next lead pastor at Calvary Baptist Church we ask you to send in a couple of items.

If you can send those in to employment@cbcregina.org we will process those and get back to candidates that we believe would be a good fit for our ministry.
